Suppliers of preform and SBM moulds

In this issue of PETplanet we are very glad to present you an update of mould manufacturing for preforms and SBM mould production.

Please have a close look at the companies showing their newest developments:

Demo-Design and Molds, Wentworth Mold Ltd., Electra Form Ind., UAB Terekas, R&D/Leverage, PET Technologies, Kosme Gesellschaft mbH, SMI S.p.A., Sipa S.p.A., Sacmi Imola S.C., Husky Injection Molding Systems Ltd., MHT AG, Otto Hofstetter AG, Röders GmbH, Sidel and Kronos.

Although the publishers have made every effort to ensure that the information in this survey are up to date, no claims are made regarding completeness or accuracy.

- Resins & additives
- Preform machinery
- Preform production & inspection
- Preform & SBM mould manufacturer**
- SBM 2 stage
- Compressors
- Filling equipment & inspection
- Caps & closures & inspection
- Palletising & shrink film machinery
- Recycling

Stretch Blow Moulds

Company name	Demo Design and Molds	Wentworth Mold Ltd.	FlexBlow	R&D/Leverage	PET Technologies
Postal address	Via Olivera, 48, 31020 - San Vendemiano (TV), Italy	156 Adams Blvd Brantford, ON, Canada	Vytauto g. 114a, Kretinga, Lithuania	Leverage House, Hamilton Road, Sutton in Ashfield, Nottinghamshire, United Kingdom, NG175LD	Grünlandgasse 5/1/12 2620 Neunkirchen, Austria
